**Policy Name:** Alcohol on Campus Policy

**Approval Authority:** President

**Effective:** 12/1/2019

### **Policy Statement**

Wesleyan College seeks to ensure that any alcohol consumption that occurs on campus or at college-sponsored events is undertaken in an atmosphere that promotes social and legal responsibility. Consistent with Georgia law, and according to the policy below, only persons who are 21 years of age or older are permitted to consume alcohol on the Wesleyan campus in designated areas or at approved Wesleyan sponsored events.

### **Background**

The College took a relaxed approach to alcohol consumption on campus during the 1970s when the drinking age was 18. In 1984, the Trustees banned consumption, except that there was some question as to whether this rule applied only to students. The ban was clarified in the mid-1990s when alcohol was completely banned on campus (excluding Bradley House). In March 2007, the Trustees approved allowing the College to serve alcohol on the campus for special College-sponsored events. In October 2009, the Trustees approved the consumption of alcoholic beverages by groups renting campus facilities (see Outside Groups Renting Facilities, below.)

This policy lays out how and when alcohol may be served on campus. The best interests of our students come first. Facility rental events, with or without alcohol, must not interfere with the quiet and comfort of students.
