Wesleyan College awards credit for Cambridge International A-Level Exams (CIE) for which it has a comparable program. To receive credit, students must earn at least the minimum score as indicated above on the examination for that course. Upon receipt of an official exam certificate and college admission, students will be awarded up to 30 semester hours of academic credit, with course equivalencies to be determined by program directors in the appropriate disciplines and the registrar. Thirty hours is the maximum amount of credit a student may receive for all credit by examinations. www.wesleyancollege.edu
