

Information Technology Department

**When and how will I receive my login information for Wesleyan College?**

You will receive an email with the subject “Welcome to Wesleyan College” once you have paid your college deposit. This email will include your Wesleyan email login information along with your login information for Wesportal, Canvas, Webprint and the IT Help Desk. Please check your spam folder if you do not receive the email. There will be a link in the email to a Student Technology Guide with instructions on how to access the systems.
